Quality Assurance	SafeGuard brand gloves are manufactured under FDA-mandated Good Manufacturing Practices (GMP)/Quality System Regulation requirements (QSR), ISO9001 and materials comply with CFR 177.1600 and CFR 177.1620.	

SafeGuard brand disposable polyethylene gloves are ideal for applications that demand a high frequency turn over rate of gloves, such as sandwich and sub making. Light weight and easy to fit, our gloves are conveniently packed in 10/10/100 dispensers. SafeGuard is a perfect fit for foodservice, food manufacturing and other activities that demand uncompromising comfort, safety and sanitary standards.
